Gentlemen,

I hope you all are having a good June! We are in preparation for beginning our New Columbian year! New officers have been elected!! Read into the Crusader to see who they are! Check and see if there are any positions vacant, you have until the end of June to enter an officer position. Let me know if you have any questions regarding what a certain position entails. It has been a great honor having the privilege to be your Grand Knight for the past two years. There was a lot of change that we faced with the State changing some programs and the Parish reducing us to a limited number of events, but we did great and I look forward to seeing how the next Columbian year goes. I couldn't have done my terms without all my officers for both terms and members who assisted with all the events. The Past Grand Knight's dinner will be late August, date TBD, but be assured that it will be GRAND....two years in the making.

Thank you all again!

Grand Knight

Insurance corner -June-Today you are giving your children the best education you can buy. Today your wife is living comfortably and not worrying about making ends meet. Will that be the scenario when you are gone?

If you have life insurance, the answer is a definite yes.

With life insurance your family is taken care of as if you are still with them. The family won't have the financial burden that comes with the passing of the breadwinner. Life insurance will be there to handle all the family financial needs. There is no undue stress on the family. Isn't that how you would want it?

The end result is? Life goes on for your family almost as if you were still there. And that's a gift of love.

June Domestic Church- Everyone — no matter their role or station in life — is called to holiness. As the saints have shown so well throughout history, holiness in life, leads inevitably to witness in our daily lives. This witness is the primary way to evangelize in our time. It is through living our lives as Catholic families, devoted to our Faith, to each other and to helping those in need, that we best evangelize in a world that so often seems reluctant to hear this good news. The new evangelization depends largely on the domestic church. ...The family is indeed the way of the Church because it is the “human space” of our encounter with Christ. Spouses “not only receive the love of Christ and become a saved community, but they are also called upon to communicate Christ’s love to their brethren, thus becoming a saving community.” The family founded on the sacrament of marriage is a particular realization of the Church ... called to welcome, radiate and show the world the love and presence of Christ. The reception and transmission of divine love are realized in the mutual commitment of the spouses, in generous and responsible procreation, in the care and education of children, work and social relationships, with attention to the needy, in participation in church activities, in commitment to civil society. The Christian Family to the extent it succeeds in living love as communion and service as a reciprocal gift open to all, as a journey of permanent conversion supported by the grace of God, reflects the splendor of Christ in the world and the beauty of the divine Trinity.

- 1. How can our family better communicate Christ’s presence to others in action, and thereby become a “saving community” that shares the love of Christ?**
- 2. Remembering that the “new evangelization” is an evangelization which is not new in content but “new in ardor, methods and expression,” what are some ways our family can “evangelize,” and what truths might we express?**
- 3. Why is family such an effective voice for things that matter?**

Family Project Write down ideas for small sacrifices/offerings on individual pieces of paper. Place these in a small bowl. Every day, have each member of the family randomly select one piece of paper to offer the sacrifice listed for the intentions of a relative or friend. At the end of the month, each family member might send a note to the person for whom they made the offering, telling him or her about their prayers and sacrifices.
